**T**ake part in one-of-the largest celebrity charity events in the country! The Par and Poker Celebrity Challenge for Charity, its sponsors, and celebrity host Super Bowl Champion Seth Joyner, provides a first-rate celebrity golf and poker event.

A professionally ran golf tournament with tour-like conditions; where sports and entertainment fans get to play with celebrities and sponsors, hang out in VIP tents, and participate in a No Limit Texas Hold'em Poker tournament. The best part of the experience is the charities involved, ranging from educational scholarships to proceeds benefitting foundations that concern children and communities in need.

*"I wanted to take the time to personally thank both Seth and Leonard for the opportunity to contribute to such a great new foundation. All of us here at the Bamboo Club who took part with you on your first Par and Poker Celebrity Challenge For Charity event were very impressed with the size, sophistication, and organization of it. From past experiences I have never found a first time event with such a large involvement at all levels. Volunteers, Celebrities, and Sponsors made the experience quite impressive. The final result truly showed the personal dedication and involvement of you both. I appreciate how accommodating you were, and that you recognized the fact that as a company we needed to see value for our involvement. The Bamboo Club would like to offer an open invitation to donate our services for any of your future events. Once again, thank you both for your personal dedication, time and effort for such a necessary and worthy cause. I look forward to working together again."*

Most Sincerely,

*"Being a sponsor at the Par & Poker Celebrity Challenge was very worthwhile. It not only exposed our products and technology to an influential group, but the event was fun and well-organized, and it benefited an important charity. We welcome the opportunity to work with Par & Poker again!"*
